

Dear guests

- Our Mosaik-Umsonst-Laden is for *everyone*.
- All goods are taken and given away for free.
- The people working in the shop *don't* get any money for their work.
The rent for the shop is more than 600€ a month.
Therefore we need your financial support.
If *everybody* (no matter if you bring or take something) pays 1 € per visit, we can cover the monthly costs.
- We only take goods that are in a good condition.
- We have a limited space to store goods so we can only take a *small* amount of things.
- When you enter the shop to pick something you will get a bucket.
Everything you choose has to be put into this bucket.
Goods may not be put anywhere else like on the sofas or chairs.
Putting goods into your own bags or strollers is regarded as shop-lifting!
- Show us what you have picked and leave the bucket at the counter before you leave.
- Take only what you really need and use to show your respect towards those who give you their stuff for free.
We also ask you to show your respect towards the shop, the team of Mosaik and other visitors.
Both help to create a positive atmosphere in our very special and unique place.
- Being respectful is very important for us.
- You are invited to sit down on our sofas to talk to others. We are looking forward to meeting you there!
Coffee and tea are always available!
Feel free to bring some cake and fruit.

We wish each other a good time!

your Mosaik-Team
